

Swing Night Silent Auction Call for Donations

The Blake Music Boosters, with the Blake High School Music Department, will be hosting our **Annual Swing Night on Friday, March 27, 2020.**

Swing Night is a Blake Music tradition and the largest fundraiser of the year. The night includes a catered dinner, photo booth, swing dance lessons and music from the Olney Big Band, Neek Nee Project, Eubie Blake Jazz Band, Blake vocal talents and even some alumni! In addition to food, fun and great music, the Silent Auction will run the entire event and keep our 250+ musicians and guests and the edge of their seats and tips of their toes waiting to see if they've made the winning bid!

Let your auction item be the one they are all fighting to win! Your generous donation will support the Blake Music mission to provide financial and organizational support for all instrumental and choral music programs at Blake. In addition, we provide support to the music directors so they can focus on teaching, guiding and performing with students. The Blake Music Boosters help create a positive and powerful music experience for the Blake community by providing effective communication between parents, students and staff and by encouraging cooperation and engagement.

We thank you for your support of the Booster organization and in turn to the staff, students and families we support.

Your donation will be recognized at Swing Night and listed in the Spring Concert program.

If you have any questions about the program or Swing Night, please contact the Booster President, Allison Soussi-Tanani, at allisoussi+boosters@gmail.com or 301-768-3631.
